Please note the following limits for checkout:

- 2 nonfiction books per subject
- 4 audiobooks per household
- 10 music CDs per patron
- 10 magazines (not all same title) per patron
- 5 Leap Pad kits per household
- 4 DVDs per household (juvenile & adult combined)
- Reference books are for in-library use only, although copies can be made.

Items interloaned through TLN (The Library Network) or MeL (Michigan Electronic Library) may have different loan periods. The patron is responsible for returning those items by their due date. To be certain of these loan periods, you may check your account online, ask the circulation clerk for a due date slip at the time of checkout, or call the library during business hours.
